

# Whole Home Energy Solutions

## Landlord / Management / Condominium association permission agreement

Dear Landlord/Manager:

Your tenants or condominium owners may qualify for the Elizabethtown Gas Whole Home Energy Solutions Program, a program sponsored by Elizabethtown Gas. Through the Whole Home Energy Solutions Program, we would like to install proven energy conservation measures – at no cost to you as the owner or to any eligible tenants or condominium association management who express interest in the program.

**Fill out this section if only permitting work for a single unit**

Tenant name/Condominium owner (Please print):				
Street address:	Unit #:	City:	State: <b>NJ</b>	Zip code:

**Fill out this section if permitting work for the entire complex/building**

Tenant name/Condominium owner (Please print):		Number of units per building:		
Street address:	City:	State: <b>NJ</b>	Zip code:	

Based on Whole Home Energy Solutions Program guidelines, we may (or may not) install energy-saving home improvements such as attic and wall insulation, caulking, weatherstripping, showerheads, light bulbs, water heater, pipe and duct insulation. Some of these measures may be installed in attics, crawl spaces or other areas under Condominium Association jurisdiction. Health and safety issues will also be identified. All work is guaranteed for a period of two years.

I, \_\_\_\_\_, am the owner, condominium association manager or manager of the properties listed above, and I agree to permit the Elizabethtown Gas Whole Home Energy Solutions Program to have its authorized contractors perform an energy conservation survey and install and inspect the conservation measures at NO COST to the participants, owner or manager. I authorize and grant the Whole Home Energy Solutions Program access to test and evaluate the unit specified above or, if I've completed the information for the entire complex/building above, all units within the building as determined necessary by Program representatives. I further agree to forever release the utility companies listed below, their respective officers, directors, employees, agents and representatives, successors and/or assigns, and to save them harmless from any claim for injury to persons, including death, or damage to physical and personal property in any way resulting from the weatherization services provided by the utilities listed below including, but not limited to, all claims and suits directly or indirectly arising out of, resulting from or related to moisture intrusion, mildew, fungus, spores or mold of any type, nature, or description including, but not limited, to any substance which presence poses an actual or potential threat to human health. This authorization is valid for the duration of the Whole Home Energy Solutions program and may be canceled at any time by contacting Elizabethtown Gas at **1.201.690.7896**.

Landlord/Manager signature: \_\_\_\_\_ Date: \_\_\_\_\_

If you do not wish to participate in the Elizabethtown Gas Whole Home Energy Solutions Program, please check the box below, fill out the apartment/condominium complex/building's name and/or address, your name/address and your signature above, and return this form.

I do not wish to participate in the Elizabethtown Gas Whole Home Energy Solutions Program.
